Sports Ground Development League Knockout Cup

The draw for the Second Round of the League Knockout Cup was conducted on Saturday 26th September at Harrowby United FC. The Ties are due to be played around the 24th October or midweek

Best of Luck to the teams still in the competition.

Postponements

Regarding postponements because of ground conditions, any pitch inspection undertaken other than by the appointed Match Referee must be undertaken by a Referee classified at, or above, Level 5. For Saturday matches any inspection must be made on the morning of the match at an appropriate time, which should take into account the departure time of the opposing team and the Match Official(s). For midweek games any decision to postpone a match must not be made more than 24 hours before the scheduled kick off time. As per Rule 14.2.1 In all cases a League Match Postponement Form must be completed by the Inspecting Official within 24 hours of postponing the match. It is the responsibility of Clubs to ensure this is completed under Rule 4.8. Link on League Website <https://forms.gle/nQSMUbuXHZEza5KS8>
